

Boston Common Asset Management Releases Global Impact Strategy Report

The 2022/2023 Impact Report highlights portfolio holdings providing solution-oriented products and services and Boston Common's shareholder engagement impact.

BOSTON, MA, UNITED STATES, November 6, 2023 /EINPresswire.com/ -- [Boston Common](#) AM (BCAM), a global leader in shareowner engagement, has released the Global Impact Strategy Report for 2022/2023.□

The Global Impact Strategy proactively allocates capital to companies creating innovative solutions to address the world's greatest systemic challenges. The portfolio management team identifies companies providing solution-oriented products and services aligned with BCAM's impact investing themes, such as Inclusive Finance, Sustainable Transport, Eco-Efficiency, and Renewable Energy. The result is a diversified, high-conviction portfolio of high-impact companies facilitating the transition to a more just and sustainable world.

"We are excited to share the past year's results for the Global Impact Strategy, a strategy that is future focused, like the innovative companies it invests in," said [Corné Biemans](#), the strategy's lead Portfolio Manager. "Our goal is to offer investors a differentiated opportunity to grow their capital by investing in a worldwide portfolio designed for sustainable growth and impact —both for our clients' assets and for our planet."

[The 2022/2023 Global Impact Strategy Report](#) offers a detailed exploration of the portfolio's impact:

- Engagement Summary Metrics

Global Impact strategy holdings were part of 53 separate engagement activities representing 58% of portfolio equity.

- ESG Focus Areas

The Global Impact Strategy allocates capital to companies aligned with three ESG focus areas: Climate Change & Earth Renewal, Inclusion & Empowerment, Health & Community Wellbeing.

- Sustainable Impact Metrics

The Global Impact Strategy is 78% less carbon intensive compared to its benchmark, MSCI ACWI Index and offers investors the opportunity to mitigate exposure to climate risks

- Engagement Examples

The report highlights shareholder engagement initiatives and details ESG engagement successes with portfolio companies.

Boston Common AM's ESG-integrated Global Impact Strategy invests in companies that the firm believes are best positioned to generate impact and promote the transition to a sustainable economy. About the Company:□
