Publisher Renee Dee's ICONIC HOUR with Renee Dee received the highest award for podcasts.

Dee recently recorded her 100th podcast since its inception in December of 2019. The podcast features leaders in the luxury industry and posts new episodes weekly.

“When we submitted our work back in July, we were hopeful to find success, however, we never expected to come out as award winners for not one, but three categories. This has brought so much joy and enthusiasm to our team. To be recognized by an organization of this magnitude is a true honor,” said Dee.

“We also would like to thank all of you for your readership, listenership and loyalty to ICONIC LIFE. Without you, we wouldn’t have the success that we do today. We can’t wait to continue to share what it means to Live Beautifully” she said.
