

# LBYL FILMS, the globally acclaimed Film Company shares its phenomenal success at the prestigious American Film Market

*During last week at the AFM, LBYL FILMS secured licensing rights for several promising titles, marking a significant milestone in their international endeavors*

LOS ANGELES, CA, UNITED STATES , November 8, 2023 /EINPresswire.com/ -- [LBYL FILMS is a New York based Sales & distribution company spearheaded by](#) visionary Director and Producer Salim Khassa. Mr. Khassa has grown exponentially over 15 years, as the company makes inroads in new areas of movie genres and now claims over 7,500 titles under its umbrella. Recognized for their excellent service to clients, and commitment to up and coming film makers.

Salim Khassa, the CEO of LBYL FILMS, is captured in the above picture as he diligently works on finalizing distribution deals at the American Film Market.

During the AFM in Los Angeles, LBYL FILMS secured significant presales for their exhilarating blockbuster which will be a hot ticket in Fall-Winter of 2024. "Warriors of Stone" is an adrenaline-fueled, action-packed powerhouse movie that takes you deep into the heart-wrenching realities faced by children in Yemen. With international territories abuzz with excitement, from Germany to Japan, Malaysia to India, and France to South Korea, the anticipation for this electrifying masterpiece is reaching new heights.

Additionally, LBYL FILMS Sales & Distributions closed multiple lucrative distribution deals during the AFM week, proving their commitment to global expansion. While we can't spill all the beans just yet, these groundbreaking agreements speak volumes about LBYL FILMS' dedication to cultivating partnerships across diverse markets.

Acquiring titles for North American distribution rights was another feather in LBYL FILMS' cap.

It's marketing staff obtained new and exceptional films that align with the company's vision and audience preferences. These acquired titles promise to enhance LBYL FILMS' already impressive film catalogue, with an exciting lineup slated for release in 2024.

"Warriors of Stone" is an odyssey led by intrepid journalist Brandon Turner, who ventures into the untold depths of poverty in Yemen alongside an altruistic Doctor named Millie Wilson of Medicines Sans Frontières. With every daring move, Turner and Dr. Millie risk it all to shed light on the plight of those in need. The story touches hearts & minds as it takes us across Yemen.

"The Goat Life" is a poignant and inspirational film based on a true story, a testament to the indomitable human spirit. Setting out on an extraordinary journey, a simple yet heroic goat-herder leaves his small village in India to search for a brighter future. Enduring unfathomable hardships, he sacrifices everything to continue on step-by-step to an uncertain future. With compelling acting and cinematography, the director Blessy has created a visual masterpiece. An audience walks side by side with the hero, confronting scorching deserts and life-threatening dangers, to witness the phenomenal perseverance that unfurls. "The Goat Life" shines a spotlight on the depths of human determination, offering a profound perspective on the pursuit of dreams.

“
