Imagine Greece Retreats will host a special reading retreat for all of Jennifer Hillier's fans.

KELOWNA, BRITISH COLUMBIA, CANADA, November 5, 2023 /EINPresswire.com/ -- On the 6th of June 2024, Imagine Greece Retreats will host a special [reading retreat](#) for all of Jennifer Hillier's fans. The retreat will occur on the island of Amorgos, Greece. Jonas Saul, Chris Colmenero, and Rania Stone will also be guest authors of the retreat.

Jennifer Hillier

Jennifer Hillier imagines the worst about people and then writes about it. Born and raised in Toronto and a proud Canadian, she spent eight years in the Seattle area, which is where all her books are set.

She's a USA Today, Globe and Mail, and Toronto Star bestselling author of THINGS WE DO IN THE DARK. Her six previous novels include LITTLE SECRETS, which was a finalist for the Los Angeles Times Book Prize and the Anthony Award, and JAR OF HEARTS, which won the ITW Thriller Award for Best Hardcover Novel and was nominated for the Anthony and Macavity Awards.

Jonas Saul

Jonas Saul is the bestselling author of the Sarah Roberts Series and has written and published over fifty thrillers. After selling several million books as a self-published author, he signed with his agent. Jonas has often outranked Stephen King and Dean Koontz on Amazon during the past decade.

He's a literary manager with Imagine Media Group Literary and the editor-in-chief at Imagine Press Inc. Jonas is regularly invited to be a guest speaker, teacher, and workshop presenter at international writing conferences and film festivals worldwide.

He's an active member of International Thriller Writers Inc.

Chris Colmenero

From humble beginnings in a tiny town in west Texas, Chris led an interesting life, which has

culminated in publishing her fourth book. Like many authors, her love for reading inspired a passion for writing. As an admin for the world's largest specific genre Facebook readers group, Psychological Thriller Readers, she has the distinct pleasure of interacting with like-minded people.

Additionally, Chris's profound love for animals is evident in the decades-long journey of rescuing senior dogs with special needs.

Her new thriller, X-Members of the FB Group, will be featured during the retreat.

Rania Stone

Rania Stone is the author of six novels and twelve children's books—she's also a literary manager at Imagine Media Group. A well-known author in Greece, Rania recently had several of her novels translated into English. Her recent release, *The Soulless*, co-written with prolific author Jonas Saul, came out in 2022.

She's been writing for over two decades and calls Greece her home. Her new psychological thriller, *What He Didn't Know*, will be featured at the Readers Retreat.
