Top real estate coach announces the launch of an extensive resource and training hub designed to help REALTORS navigate the impacts of the NAR Lawsuit.

WADING RIVER, NY, UNITED STATES, November 6, 2023 /EINPresswire.com/ -- Darryl Davis, one of the industry's top real estate coaches and speakers, announced the launch of an extensive [NAR Lawsuit resource and training hub](https://darrylspeaks.com/nar-lawsuit/) designed to help real estate professionals navigate the impacts of the recent class-action lawsuit and verdict against NAR.

NAR Lawsuit Resource and Training Hub for Realtors

"The verdict and impending changes are complex and frankly overwhelming for many right now. I wanted to break things down into clear, actionable guidance," said Davis. "My goal is to provide agents and brokers with the tools and training they need to adapt, thrive, and hold their heads high in a changing industry."

“

With the lead attorney for the plaintiff's pledging to 'not going to stop until [NAR] is broken up,' it is a battle call for all of us to dispute the misinformation being projected about REALTORS®."

"These lawsuits and the repercussions have and will

continue to fundamentally change how agents do business," Davis explained. With the lead attorney for the plaintiff's pledging to 'not going to stop until [NAR] is broken up,' it is a battle call for all of us who have spent lives and careers in the service of home buyers and sellers to

dispute and debunk the inflammatory headlines and misinformation being projected about REALTORS®, and I am committed to taking on that challenge."

Davis added that the hub will expand and evolve as the impacts of the verdict continue unfolding and future lawsuits are filed. "This is an ongoing education process.
