SAN FRANCISCO, CA, USA, November 7, 2023 /EINPresswire.com/ -- Sixteen women, including in-house counsel from leading high-tech companies, will join the second cohort of ChIPs General Counsel Bootcamp launching this week at the ChIPs Global Summit in San Francisco.

The program includes two in-person events and 21 hours of live and on-demand virtual learning. It focuses on core competencies, skill building, leadership training, coaching and peer support.

Seventeen high-profile women tech attorneys graduated from ChIPs General Counsel Boot Camp 2022-23.
