

FINANCE AND RISK EXPERT ANTHONY CHENG AWARDED THE DCRO INSTITUTE CERTIFICATE IN RISK GOVERNANCE®

GLOBAL, ORGANIZATION, November 6, 2023

/EINPresswire.com/ -- The DCRO Institute, the world's

leading source of risk governance training and credentials for board members and C-suite executives, announced today the award of the prestigious [Certificate in Risk Governance®](#) to Anthony Cheng of Hong Kong.

Anthony has an impressive list of credentials to his credit and shows a deep commitment to excellence in risk governance."

*David R. Koenig, President
and CEO of The DCRO
Institute*

Anthony is a partner with Aquaseason Professionals Limited, where he focuses on restructurings, forensic accounting, and enterprise risk management. He was formerly the head of finance and the Hong Kong office of Samvo Group, a private equity firm focused on real estate and fintech. Beyond his professional pursuits, Anthony is the founder of the Mahler Society of Hong Kong, the chairman of Certification, Complaint and Compliance Committee of the Hong Kong Credit Collection Management Association, a member of the Advisory

Council of the Association of Certified Fraud Examiners, and a member of the GRC Capability Model Review Committee at OCEG, among other volunteer activities. He holds multiple professional credentials, including that of a Certified Director by the National Association of Corporate Directors (NACD). Anthony began his career with Kenny Tam & Co and also advised for FTI Consulting. He earned his LLB from Tsinghua University and his BA in Economics from UCLA.

"Anthony has an impressive list of credentials to his credit and shows a deep commitment to excellence in risk governance," said David R. Koenig, President and Chief Executive Officer of the DCRO Institute. "We're happy to count him among our alumni and to look forward to the growing impact he is sure to have in his work."

The Certificate in Risk Governance® is awarded to those who have completed The Board Members' Course on Risk® - an intensive 17-course education program and evaluation. The curriculum is designed for current and aspiring board members who seek to advance the governance of risk-taking at their organizations and those who interact with boards. Taught by

some of the world's leading figures in risk governance, the program features lessons by nearly 50 board members, C-level executives, and well-known authors from five continents. No course on risk for board members as robust as this - depth, practicality, and global expertise - exists anywhere else.

"I enthusiastically vouch for this program," said Mr. Cheng. "The discussions run deep and have given me a solid grip on risk governance and management concepts, while it also includes a reflective side that's made me look back at my experience and qualifications. It's been a real all-in-one for my personal and professional growth."

The fundamental Duty of Care for directors around risk is to ensure that our organizations take risks well in pursuit of our goals and ambitions. This course furthers the fulfillment of that duty.
