"I want to be the next Minnie Pearl," says Jackson, who followed her grandchildren to Tennessee 11 years ago, and realized that the songs that made her famous and were loved by Johnny Carson and Lorne Michaels might just find a new home on the Opry stage.

Johnny Carson first noticed Jackson's stand-up routine and put her on [The Tonight Show](#)... twenty times. And before long, she was a household name with a lengthy list of credits in TV and film, including six seasons on NBC's Saturday Night Live. Jackson is also the author of *Is My Bow Too Big?* (White Hall) and *Lavender Hair* (Broadstreet), about her breast cancer journey and recovery.

"I've been writing since moving here," says Jackson. "My dad, mom and brother died, I got cancer, my 3 dogs died and my husband of 30 years asked for a divorce. It's good songwriting material."

All good art comes from pain. Actually, he didn't ask for a divorce — he screamed it, a million times. But we're still married!"

In addition to her new album, Jackson can be seen in the upcoming Christmas comedy [Jingle Smells](#) opposite John Schneider, Eric Roberts, and fellow SNL star Jim Breuer.

When I Get to Nashville is available at all digital outlets including Amazon. CDs are available exclusively at VictoriaJackson.com.
