Maplewood, NJ Expands GovPilot Partnership in 2023

The Township of Maplewood, NJ has implemented additional [government management software solutions](#) into their municipal offices throughout 2023 in order to automate processes, digitally manage data, and engage citizens via the cloud with [GovPilot](#) - the Operating System for Local Governments. In collaboration with GovPilot, a government management software provider based in New Jersey, this municipality of Essex County, expanded a partnership that will allow the local government to access new, modern, software solutions across the municipality.

This partnership aims to provide both citizens and government officials simplified access to data and information that will save valuable time and resources across the board. GovPilot's customer success rates and stellar reviews set this government management software provider apart from all others, streamlining the implementation of new software solutions efficiently and successfully for Maplewood Township.

Among the software solutions previously deployed by Maplewood are the most recent 2023 additions which include:

- Child Care Business Registration Module
- Canvasser, Solicitor, Hawker, Peddler Module
- POS Fire Inspections Module
- Dumpster Permit Module
- Garage and Yard Sale Module

Landlord Registration Module
Limousine/Taxi Operator License Module
Marriage License Module
Sidewalk Cafe Module
Sidewalk Retail Services Module
Banner Application Module
[Vital Records Request Module](#)
Streat Eatery Module
Parking & Jitney Module
Towing Vehicle Module
Outdoor Heater Module
Alcohol Beverage Control Module

All additional software solutions deployed by Maplewood in 2023 will continue to simplify and digitize once manual, paper-based government processes, allowing for government workers to dedicate their valuable time to more pressing municipal tasks, and saving constituents the hassle of traveling to city hall in person.

GovPilot By the Numbers for 2023:

Total Modules Deployed Across all Accounts Nationwide: 307

Median Deployment Days: 44
