"The Holloway Case" - A chilling crime scene sets the stage: a young college student's life brutally cut short. Hired to unravel this mystery, the Watchmen initially find themselves on what seems to be a straightforward path. However, Isabella's intuition and reluctance to hastily execute the warrant pull her back into the shadows of the Marlow Case, leading the team into treacherous waters. As danger looms, Isabella (Daniela Vidaurre) and Cecilia (Nicole Mattox) seize an opportunity to strengthen their bond, uniting to serve a warrant on a formidable adversary. But as night falls, the tables turn. The hunters become the hunted, and the Watchmen find themselves ensnared in a deadly game of cat and mouse.

Poster to the TV Series, "Knight Watchmen" created by Brett William Mauser.

In this gripping episode of "Knight Watchmen," "The Holloway Case," alliances are tested, and the line between predator and prey becomes perilously thin.

“

The acting is good to great, and the show is shot in a stylized way emphasizing atmosphere.”
