

Everything Podcasts Candid Studio Session with Cannabis Legend Tommy Chong Launches The Canadian Potcast's 2nd Season

VANCOUVER, BC, CANADA, November 7, 2023 /EINPresswire.com/ -- Cannabis industry legend, [Tommy Chong](#) launches [The Canadian Potcast's](#) second season, in partnership with Pattison Media. This special edition of The Canadian Potcast outlines what life is like as the world's most famous stoner and marijuana advocate. Tommy grew up in Alberta, where his homesteader dad built them "the nicest outhouse". He details his life there as a young, racialized Canadian in the 50s and 60s, and how that influenced his comedy and cannabis career.

Tommy Chong is a name often associated with cannabis. So much so, that the Cannabis Conference in Las Vegas presented him with their inaugural Lifetime Achievement Award. We are honoured to have this cannabis pioneer and pop culture icon join us.

"Listening in studio with Tommy Chong was a wild ride, so I am beyond excited for this episode to launch!" - Jennifer Smith, CEO, [Everything Podcasts](#).

"Cannabis is my direct connection to God. That's why my next evolution is going to be mind blowing because it's not just mine... It's the big guy's, and he's got a lot of pull." - Tommy Chong

Alongside broadcasting Hall Of Famer legend and show host Don Shafer, Tommy explores his spirituality. This isn't just a classic stoner conversation, the episode follows the reflections of a

man with an immense connection to philosophical thinking – a connection that was deepened by his nine months in prison, and a cancer scare.

If you want to know more about Tommy's time in prison, he goes into it on this show. His cellmate was Jordan Belfort, AKA the real Wolf of Wall Street.

Finally and inevitably, Tommy talks about pot. Cannabis is his "direct connection to god", so we made sure to ask him what he thinks of the Biden administration's attitude towards cannabis.

The next season of The Canadian Potcast launches November 9th, 2023.

Until then you can listen to the first 12 episodes, each one includes an interview with a leader in the cannabis world, plus a documentary on important moments in cannabis culture and history.

The Canadian Potcast is produced by Everything Podcasts, a division of Pattison Media.
