Customer reviews for the foot massager have been positive across the board.

Robert P. Smith recently said, in a five-star review, "I don't know what it is about women & getting their feet massaged, but guys, I'm here to tell you that your lady will absolutely LOVE you for getting her this little machine. My wife has had two foot surgeries, and her feet have always bothered her with pain. She used this machine 5 or 6 times the day I got it for her and every day since. She says her feet no longer hurt."
