*Leading franchisee Mike Rompel expands brand in Utah.*

MIDVALE, UT, USA, November 7, 2023 /EINPresswire.com/ -- Domino's Pizza Inc., the largest pizza company in the world, is opening a new location in Midvale, UT. The latest Domino's is led by franchise owner [Mike Rompel](#), who started as a pizza maker and delivery driver.

The Midvale Domino's is located at 7141 Bingham Jct. Blvd., Ste. 103, and is hosting a grand opening celebration on Tuesday, November 14, 2023, from 3:30 pm – 7:00 pm. Guests will enjoy giveaways, music, and balloon twisting, plus the store will be giving away Domino's swag. The event is free and open to the public.

"My wife and I are blessed to be opening another location with the iconic Domino's brand. When we came to Salt Lake City from Oahu, we saw this little town of Midvale rebuilding itself as a multi-cultural, family community, and we knew we had to build a store here to serve that community," said Mike Rompel, Owner of the Midvale Domino's. "Our store is conveniently located by I-15, so you can easily hop off the interstate and enjoy your favorite pizzas, wings, pastas, sandwiches, and more. We are looking forward to celebrating our grand opening with the community and visitors and serving up our great-tasting products with fantastic hospitality."

Mike Rompel owns and operates the Midvale Domino's. Rompel has been a Domino's franchisee for more than 25 years. In addition to Utah, he also owns locations on the islands of Hawaii, where he has grown the brand across the islands.

The Midvale Domino's is 1,650 sq. ft. and offers dine-in, curbside pickup, and delivery. The location also has convenient parking in front of the store. The location will be open Sunday-Thursday from 10 am – Midnight and Friday and Saturday from 10 am - 1 am.
