

TAO Digital Solutions announces the acquisition of TriGeo Technologies

TAO Digital Solutions announces the acquisition of TriGeo to expand its Digitization services.

SANTA CLARA, CA, UNITED STATES, November 8, 2023 /EINPresswire.com/ -- TAO Digital Solutions (TAO), a global IT services and solutions company headquartered in California, is pleased to announce its acquisition of TriGeo Technologies, a leading provider of Data Intelligence Services, including highly precise Data Mapping, Annotation and Labeling, Building Information Modeling (BIM), Digital Twinning, 3D modeling, Engineering, and GIS Services.

"The acquisition of TriGeo strengthens our ability to support our customers by adding Digitization and Content services and Digital Twinning capabilities. With over two decades of experience, TriGeo is a recognized leader in offering expertise in data capture, application development, enterprise integration, engineering solutions, LiDAR technology, and Building Information Modeling (BIM). As we welcome the TriGeo team of over 1,900 employees, we are excited to create a powerful combination of services and solutions to accelerate our customer's digital transformation and AI enablement journeys further," said Rajkumar Velagapudi,

“

The acquisition of TriGeo's business strengthens our ability to support our customers by adding Digitization services and Digital Twinning capabilities”
Rajkumar Velagapudi

CEO of TAO Digital Solutions.

The acquisition of TriGeo bolsters TAO's core mission to enhance client workflows and digitize business processes. Leveraging advanced annotation and labeling techniques, TriGeo fine-tunes Large Language Models (LLMs) for specific domains, industries, and user needs, improving response accuracy and relevance. This strategic collaboration underscores TAO's commitment to using technology as a catalyst for enterprise Transformation, Automation, and Optimization.

"Joining forces with TAO Digital Solutions is a significant milestone for TriGeo. Over 20 years, we have built a company that prides itself on delivering high-quality services to our clients. By combining our strengths, we are excited to expand our service capability across new geographies and see accelerated growth," said TriGeo's CEO, Ashok Vemulapalli.
