

# The City of Linden, NJ Expands GovPilot Partnership, Launching New Government Management Software Solutions In 2023

*The NJ City expands their partnership with the government management software provider to streamline operations and constituent services in the municipality.*

LINDEN, NJ, UNITED STATES, November 7, 2023 /EINPresswire.com/ --  
Customer Since 2018 with 19 Total Modules Deployed

The city of Linden, NJ has implemented additional [government management software solutions](#) into their municipal offices throughout 2023 in order to automate processes, digitally manage data, and engage citizens via the cloud with [GovPilot](#) - the Operating System for Local Governments. In collaboration with GovPilot, a government management software provider based in New Jersey, this municipality of Union County, expanded a partnership that will allow the local government to access new, modern, software solutions across the municipality.

This partnership aims to provide both citizens and government officials simplified access to data and information that will save valuable time and resources across the board. GovPilot's customer success rates and stellar reviews set this government management software provider apart from all others, streamlining the implementation of new software solutions efficiently and successfully for the city of Linden.

Among the software solutions previously deployed by Linden are the most recent 2023 additions which include:

- Grant Module
- Handicap Placard Module
- Landlord Registration Module
- Residential Parking Permit Module
- [Vacant Property Registration Module](#)

Health Inspections Module  
Retail Food Establishment License Module  
Temporary Food Vendor Module  
Recreational Bathing/Pool Module  
Retail Food Establishment Inspections Module  
Health License Module

All additional software solutions deployed by Linden in 2023 will continue to simplify and digitize once manual, paper-based government processes, allowing for government workers to dedicate their valuable time to more pressing municipal tasks, and saving constituents the hassle of traveling to city hall in person.

GovPilot By the Numbers for 2023:

Total Modules Deployed Across all Accounts Nationwide: 307

Median Deployment Days: 44
