

US Navy Veterans Mesothelioma Advocate Urges a The Family of a Navy Veteran with Mesothelioma To Call Them For Direct Access To The Nation's Top Lawyers For Better Compensation-Don't Call a Phony VA Claims Center

WASHINGTON , DC, USA, November 8, 2023 /EINPresswire.com/ -- The US Navy Veterans Mesothelioma Advocate says, "If your husband or dad is a Navy Veteran who has just been diagnosed with mesothelioma in any US State, please do not get deceived by what sounds like the Veterans Administration-or what looks like a government sponsored website for Veterans with mesothelioma. These types of internet ads are typically sponsored by mesothelioma middleman law firms that broker people with mesothelioma to other law firms.

"We on the other hand offer direct access to some of the nation's most elite mesothelioma attorneys, they are household names in the mesothelioma legal community, and they get the very best possible compensation results for their clients-especially if they are a US Navy Veteran with mesothelioma. We are advocates for Navy Veterans with mesothelioma and if a Navy Veteran or their family would call us at 866-714-6466-we can usually have them talking directly with some of the nation's top mesothelioma attorneys in under 15 minutes."

Suggestions from the US Navy Veterans Mesothelioma Advocate for Veterans with mesothelioma nationwide on how to increase potential financial compensation:

“Do you recall the specifics of how you were exposed to asbestos at work, in the military or both-and when this exposure occurred. This is incredibly important information.

“Do you recall the names of shipmates-coworkers who might have witnessed your exposure to asbestos?”

“Did you stay on board your ship-boat during a shipyard overhaul or retrofit-assisting shipyard workers?”

“Did you have more than one job in the navy-armed forces where you might have been exposed to asbestos?”

“Do your medical records include a biopsy that confirms the mesothelioma or asbestos exposure lung cancer?”

Important Note: "If your loved one died from confirmed mesothelioma in the United States within the last two years and the compensation process was never begun because of COVID or other reasons-please call us anytime at 866-714-6466. We would like to help-if possible."
