YHSGR Advantage is designed with consumers in mind, offering a host of benefits that revolutionize the home buying and selling experience:

How YHSGR Advantage Works:

YHSGR Advantage offers a comprehensive suite of seller solutions, ensuring a quick and efficient sale, regardless of the circumstances:

- Use our RBID home selling system to list the home on the open market and tap into YHSGR's extensive database of 57,000 potential buyers.
- Instant Sale: Experience a quick and hassle-free home sale.
- Purchase a new home before selling the old one: Ensure a smooth transition between properties.
- Listing Concierge: Pre-sale home renovation services designed to improve the property's market appeal.

Buyer Solutions:

Our contemporary buying solutions are designed to facilitate a smoother transition into the desired home:

- Mortgage Financing: Cost-effective home financing options for buyers with good credit and savings.
- Cash Offer: Transform the offer into a non-contingent cash offer, making the bid more competitive.
- Homeownership Accelerator: Use rent payments to build equity toward owning a own home.

YHSGR Power Buyer in YHSGR Advantage:

Our standout feature, YHSGR Power Buyer, offers two powerful options for VIP clients:

- Cash Buy: Ideal for clients solely looking to buy, this option removes financing and appraisal contingencies, increasing the likelihood of securing the home of their dreams with a fully backed cash offer. It provides certainty for both buyers and sellers and can often lead to cost savings.
- Cash Buy Before Sell: Perfect for clients buying and selling simultaneously, this option unlocks equity from their current home, removes financing, appraisal, and home sale contingencies, streamlining the moving process and allowing them to move into their new home before selling the old one.

YHSGR Power Buyer is set to revolutionize the market by offering these game-changing options:

1. Cash Buy Flex: "In today's market, buyers who can pay cash win more and pay less than buyers using a traditional mortgage. YHSGR Power Buyer is here to empower people to become cash buyers and get the home of their dreams."
2. Cash Buy Reserve: "In today's market, buyers who can pay cash win more and pay less than buyers using a traditional mortgage. YHSGR Power Buyer is here to empower people to become cash buyers and get the home of their dreams."
3. Cash Buy Before Sell Reserve: "Buying and selling at the same time can be stressful. YHSGR Power Buyer is here to empower to buy the dream home with cash BEFORE selling the old one."
