

Sequentur Honored as the Channel Futures MSP 501 2023 Woman-Owned Business Award Winner

CLEARWATER, FLORIDA, UNITED STATES OF AMERICA, November 8, 2023 /EINPresswire.com/ -- Sequentur, a leading provider of IT Solutions specializing in Managed IT Services and Cybersecurity Managed Services, is thrilled to announce that it has been honored with receiving "The Channel Futures 2023 MSP 501 Woman-Owned Business" award.

Sequentur, who earlier this year was named as a Top 13 MSP in the World by Channel Futures, continues to be a leader in the IT sector, consistently delivering innovative solutions and services to businesses and organizations.

“

We're honored to be acknowledged as a top women-owned business, and we look forward to continuing to provide exceptional IT solutions and services.”

Laura Gruzdev, Sequentur Co-Owner & CFO

This award is a testament to Sequentur’s unwavering commitment to delivering top-tier IT services in the IT industry, championed by Laura Gruzdev, co-owner & CFO. Laura has been instrumental in shaping Sequentur's path to success, and her leadership is complemented by a team of accomplished female executives who drive innovation and excellence within the organization.

"We are humbled and proud to receive this recognition from Channel Futures," said Laura Gruzdev. "It's a testament to the hard work and dedication of our team,

our commitment to serving our clients, and our passion for advancing in the IT industry. We're honored to be acknowledged as a top women-owned business, and we look forward to continuing to provide exceptional IT solutions and services."

Channel Futures selected Sequentur for this award after an exhaustive evaluation of industry leaders. This recognition reflects Sequentur's consistent delivery of high-quality IT services,

exceptional customer service, and a commitment to staying at the forefront of the rapidly evolving technology landscape. With a focus on innovation, Sequentur is committed to supporting its clients' IT needs and continuing its mission of excellence in the IT industry.
