

# Pennsylvania Parks and Forests Foundation Gears Up for ExtraGive 2023

*In today's fast-paced world, the significance of Pennsylvania's state parks and forests has never been more apparent.*

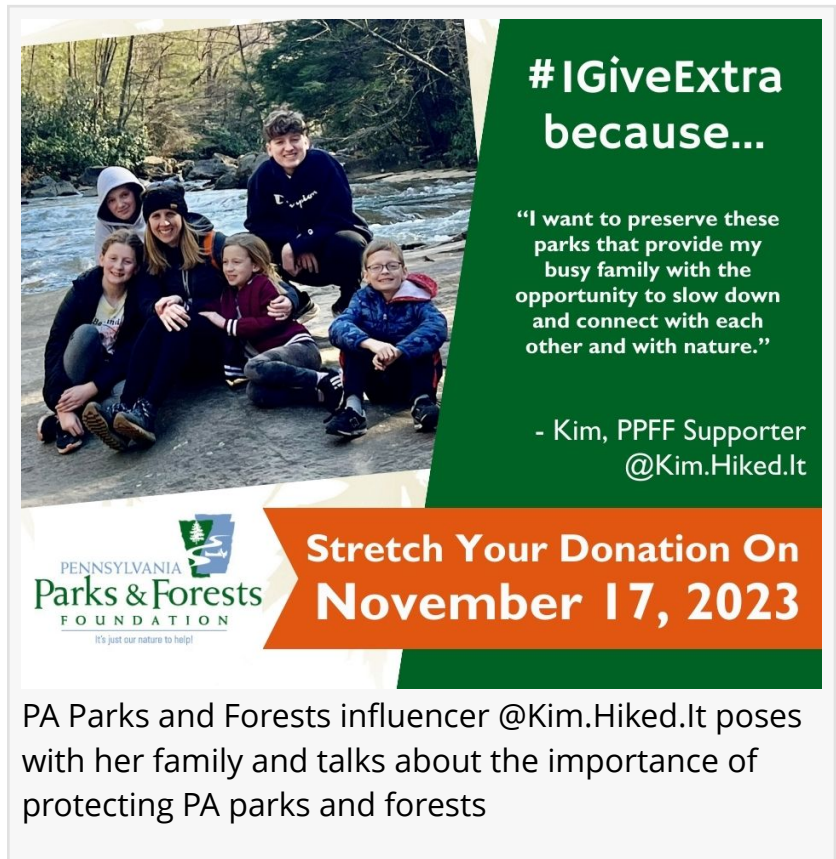

CAMP HILL, PA, USA, November 8, 2023 /EINPresswire.com/ -- The [Pennsylvania Parks and Forests Foundation \(PPFF\)](#) is thrilled to announce its participation in the upcoming ExtraGive 2023, scheduled for November 17, 2023. This annual event, organized by the Lancaster County Community Foundation, is a celebration of non-profit organizations, offering them a unique platform to not only raise essential funds for their mission-driven work but also amplify donors' impact.

In today's fast-paced world, the significance of Pennsylvania's state parks and forests has never been more apparent. They serve as tranquil refuges for families and individuals seeking solace and adventure, be it hiking, biking, paddling, or simply reveling in the state's breathtaking natural beauty. PPFF works to ensure that these natural spaces remain accessible, safe, and welcoming to all.

Through close collaboration with state park and forest staff and its 48 dedicated chapters, PPFF champions accessibility and education, funds and executes projects that elevate the visitor experience, provides funding and encourages volunteerism on activities that restore and enhance natural assets, and fosters additional recreational opportunities across the commonwealth.

During the 24-hour giving event, PPFF will host a variety of live streaming discussions, giveaways, and premiere a new outdoor video on the role of quiet in the outdoor experience. Watch the PPFF calendar of events for details.
