Talk LIVE Podcast previously amassed an impressive 3.2 million views in 2018, creating an impactful space for insightful discussions, compelling stories, and industry insights. The show's resurrection aims to continue its tradition of candid and profound conversations.

“

We're ecstatic to bring Design Talk LIVE back to life, with the goal of continuing the legacy of candid conversations, shedding light on the intricate and vibrant world of design.”

Joseph Haecker, the host of the show.

The podcast's revival aims to provide a fresh platform for industry insiders, designers, manufacturers, and influencers to share their unique perspectives and experiences. Design Talk LIVE extends an open invitation to the design community, inviting them to engage, enlighten, and inspire the listeners.

"We're ecstatic to bring Design Talk LIVE back to life," said Joseph Haecker, the host of the show. "Our goal is to continue the legacy of candid conversations, shedding light on the intricate and vibrant world of design. We are

dedicated to fostering a platform for unfiltered dialogues, connecting industry leaders and

enthusiasts."

The renewed podcast will not only feature voice-over advertising opportunities for brands but will also venture into live events, engaging in in-person discussions, and collaborations. With the profound realization of the power of community and live events, Design Talk LIVE plans to host podcasts in front of live audiences, taking the conversation on the road.
