

# Xmachina AI Group Inc. Launches AI Consulting Services Division

VANCOUVER, BC, CANADA, November 9, 2023 /EINPresswire.com/ -- XMachina AI Group Inc., formerly 1210352 B.C. Ltd., (the "Company") a pioneer in Artificial Intelligence, is proud to announce the establishment of a cutting-edge AI Consulting Services Division. This strategic move underscores our commitment to harness the transformative power of Artificial Intelligence (AI) and provide clients with unparalleled expertise in AI strategy, implementation, and optimization.

The newly formed AI Consulting Services Division will serve as a hub for AI-related expertise, catering to a broad spectrum of industries. Operating under the name of xcs.ai; Xmachina Consulting Services, it will offer comprehensive consulting services aimed at helping organizations harness the potential of AI to enhance productivity, decision-making, and innovation. This exciting venture is set to launch immediately.

At the helm of this division is the recently appointed Nicolas Bonnafeous, a distinguished expert in AI and an industry veteran with a track record of successful IT strategy development and implementation. With over 30 years of experience in the IT domain, Nicolas brings a wealth of knowledge in AI technologies and their practical applications.

"Our commitment to delivering innovative solutions is unwavering, and the launch of our AI Consulting Services Division is a testament to this commitment," stated Claude G Théoret, CEO of Xmachina AI Group Inc. "We recognize that AI is a transformative force across all industries. With Nicolas Bonnafeous leading our new division, we are poised to provide clients with the expertise they need to navigate the AI landscape successfully."

The launch of the AI Consulting Services Division demonstrates Xmachina's commitment to innovation and the integration of advanced technologies to provide tailored solutions to our clients. It signifies our dedication to delivering cutting-edge services and being at the forefront of the AI revolution.

#### Cautionary Note Regarding Forward-Looking Statements

This news release contains statements that constitute “forward-looking statements.” Such forward looking statements involve known and unknown risks, uncertainties and other factors that may cause the Company’s actual results, performance or achievements, or developments to differ materially from the anticipated results, performance or achievements expressed or implied by such forward-looking statements.

Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects,” “plans,” “anticipates,” “believes,” “intends,” “estimates,” “projects,” “potential” and similar expressions, or that events or conditions “will,” “would,” “may,” “could” or “should” occur.

Forward-looking statements in this document include, among others, statements relating to expectations and intentions regarding the Listing on the Exchange, preparing and filing and receiving a receipt from the BCSC with respect to the Prospectus, the business plans of the Company and other statements that are not historical facts. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors and risks include, among others: (a) that there is no assurance that the Company will obtain a conditional or final approval from the Exchange in connection with its planned CSE or final receipt from the BCSC in connection with the Prospectus on the expected timeline or at all; (b) the anticipated costs to complete the Listing may exceed current expectations; (c) following completion of the Business Combination, the Company may require additional financing from time to time in order to continue its operations which may not be available when needed or on acceptable terms and conditions; (d) the new laws and regulations could adversely affect the Company’s business and results of operations; (e) the stock markets have experienced volatility that often has been unrelated to the performance of companies and these fluctuations may adversely affect the price of the Company’s securities,

regardless of its operating performance; (f) limited business history of the Company; (g) disruptions or changes in the AI markets or the economy generally; (h) unanticipated costs and expenses; and (i) general market and industry conditions.

The forward-looking information contained in this news release represents the expectations of the Company as of the date of this news release and, accordingly, is subject to change after such date. Readers should not place undue importance on forward-looking information and should not rely upon this information as of any other date. The Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
