

# The City of Elizabeth, NJ Expands GovPilot Partnership With New Government Management Software In 2023

*The NJ Township expands their partnership with the government management software provider to streamline operations and government services in the municipality.*

ELIZABETH, NJ, UNITED STATES, November 8, 2023 /EINPresswire.com/ -- Customer Since 2018 with 56 Total Modules Deployed

The City of Elizabeth, NJ has implemented additional [government management software solutions](#) into

their municipal offices throughout 2023 in order to automate processes, digitally manage data, and engage citizens via the cloud with [GovPilot](#) - the Operating System for Local Governments. In collaboration with GovPilot, a government management software provider based in New Jersey, this municipality of Union County, expanded a partnership that will allow the local government to access new, modern, software solutions across the municipality.

This partnership aims to provide both citizens and government officials simplified access to data and information that will save valuable time and resources across the board. GovPilot's customer success rates and stellar reviews set this government management software provider apart from all others, streamlining the implementation of new software solutions efficiently and successfully for Elizabeth.

Among the software solutions previously deployed by Elizabeth are the most recent 2023 additions which include:

[Certificate of Continued Occupancy Module](#)

Pet Shop License Module

Public Dance Halls License Module
