

# New York Mesothelioma Victims Center Now Urges Plumber Anywhere in New York State with Recently Diagnosed Mesothelioma or Their Family to Call Attorney Joe Belluck- Compensation Might Be Millions

NEW YORK, NEW YORK, USA, November 20, 2023 /EINPresswire.com/ -- According to the New York Mesothelioma Victims Center, "If your husband or dad is a current or former plumber with recently diagnosed mesothelioma anywhere in New York State please call 866-714-6466 for direct access to attorney Joe Belluck of the law firm Belluck & Fox. Joe Belluck is one of the nation's most skilled mesothelioma attorneys, he and his remarkable team have been assisting people with mesothelioma in New York State for decades-and they consistently get the best client compensation results-especially for plumbers and skilled trades workers.

"The reason we mention plumbers with mesothelioma in New York State is simple. A skilled trades person like a plumber might have had almost as much exposure to asbestos as a shipyard worker. A plumber in New York State probably would have worked on boilers and furnaces-in homes, commercial buildings, schools, etc. The reason a mesothelioma compensation claim for a plumber might be so significant is because they would have worked with so many plumbing-heating products that contained asbestos.

"We would put attorney Joe Belluck in the expert category when it comes to compensation for a plumber anywhere in New York State. For direct access to attorney Joe Belluck of Belluck & Fox please call 866-714-6466 anytime. We are certain you will be glad you did."
