Helium 10 Black Box

Helium 10 Black Box is a product research tool designed to help Amazon sellers identify profitable products to sell on the platform. With Black Box, you can search for products based on a range of criteria, including product category, sales volume, revenue, and more.

Black Box comes with subtools for product research, keyword research, competitors research, niche research, product targeting research and the Elite Analytics tab.

Pro Tip: combine Black Box with Helium 10 Cerebro to boost up your Amazon keyword and product research

Elite Analytics allows you to upload up to 2000 rows of Black Box Keywords, Amazon Brand Analytics Report, My List Keywords or your own curated list to reveal key Helium 10 metrics to identify new opportunities per month. The report will provide Keyword Sales, Title Density, Search Volume (+Trend), High Review Count, Median Review Count, and Most Frequent Seller Country.
