"We are immensely proud to honor these incredible women who are not only shaping their industries but are also creating a ripple effect, inspiring countless others with their journey," said Thomas Brandt, the spokesperson of IAA.

Grand Jury Panel

Recognizing the imperative nature of unbiased and diverse evaluations, the TITAN Awards assembled an elite panel of professionals for its jury. This panel includes industry luminaries from renowned institutions such as Liliana Farinha (Portugal), Anna Stepura (United States), Angelique Hamilton (United States), Sherilyn Kamga (United States), and Pranjali Ganoo (United States). Their presence guarantees a thorough adjudication process, where the benchmark is pure excellence, and decisions are rooted in blind judging's impartiality. Winners were selected after a rigorous evaluation process, based on their achievements, impact, and contributions to their industries and the broader community.

"Today's TITAN awardees are emblematic pillars of dedication and unrivaled performance," Thomas observed. "Their journey towards success, fueled by an unwavering commitment, not only propels their entities to the forefront but also lays down a trail of inspiration for future

leaders to emulate."

The 2024 TITAN Women in Business Awards is now proudly open for entries, and invites the visionaries, the trailblazers, and the change-makers to step forward. Secure early bird entries before the deadline on December 13, 2023, and join a professional community whose achievements in the business world are nothing short of extraordinary.
