“

Creating a game with artificial intelligence can help every consumer avoid every problem financially our gaming platform can start educating as early as seven years old”

Dan Kost, Founder

The MoneySmarts campaign covers a wide range of personal finance topics, including budgeting, saving, investing, and debt management. It seeks to educate and empower people with the skills required to navigate their financial journey successfully.

Contributors to the MoneySmarts campaign play a pivotal role in helping Dan Kost achieve several important goals, including:

1. Expanding the Reach of Financial Education: By

supporting the campaign, contributors help extend the reach of the MoneySmarts initiative, enabling Dan Kost to create and share new educational resources with a broader audience.

2. Enhancing Financial Well-Being: The campaign's goal is to assist individuals in making better financial decisions and achieving their financial aspirations. Contributors help Dan Kost reach more people with his financial education message, providing essential support for improved financial well-being.

3. Fostering Financial Literacy: Dan Kost believes that a financially literate society is a better

society. Contributors play a vital role in helping him achieve the vision of a society where everyone possesses the knowledge and tools to make sound financial decisions.

Dan Kost expresses his gratitude to all those who support the MoneySmarts campaign, emphasizing the significant impact their contributions have on improving lives worldwide.

Contributors to the MoneySmarts campaign enable the realization of various initiatives:

1. **Development of New Educational Resources:** Dan Kost is actively working on the creation of a new online course on personal finance. Contributors will provide the essential funding required to develop and make this course accessible to a broad audience.

2. **Global Expansion of the MoneySmarts Campaign:** The MoneySmarts website and educational materials are currently being translated into multiple languages to make the campaign accessible to people worldwide. Contributors support this translation work, ensuring that financial education knows no geographical bounds.

3. **One-on-One Financial Coaching Program:** As part of the initiative, a one-on-one financial coaching program is under development to provide personalized support to those seeking to improve their financial well-being. Contributors will assist in funding this program and making it available to those in need.

Dan Kost's MoneySmarts campaign embodies a commitment to creating a more financially literate and prosperous society, one where financial education is readily available and accessible to all. Contributors are integral to the success of this noble mission.
