"Standing at the forefront of change, TITAN considers it a profound privilege to honor the visionaries and architects of tomorrow," declared Thomas Brand, the spokesperson of IAA. "These innovators do not merely push boundaries, they reimagine them, setting a new paradigm of excellence that resonates with our esteemed panel of judges and beyond."

Grand Jury Panel

The TITAN Innovation Awards has gathered a professional panel of jurors who originate from the global stage of professional excellence. These experts, including Ashlesha V Kadam (United States), Arvin Maleki (Turkey), Atul Gupta (United States), Joon Kwon (South Korea), and Vasil Velchev (Bulgaria), among others, uphold the standards of impartial judging, ensuring the most groundbreaking ideas receive the accolade they rightfully deserve.

"These leaders have taken their organizations to new heights, lighting the way for future innovation through exemplary achievements," remarked Thomas. "It is this spirit and concrete impact that the TITAN Innovation Awards celebrate, leaving a lasting impression that others will follow, especially in the upcoming award competitions."

2024 TITAN Innovation Awards Now Open for Early Bird Entries

As the curtain rises on a new chapter, the 2024 TITAN Innovation Awards now anticipates a fresh wave of ingenuity that cutting-edge designs and technologies will bring forth. Early Bird submissions are now open and the deadline is set for December 13, 2023. A brand-new era of innovation has arrived for another year of accolades, grandly celebrating design creativity and technological advancement.

About TITAN Innovation Awards

The TITAN Innovation Awards honors and recognizes innovative design and technology excellence of individuals or organizations in shaping the future of various mediums, celebrating designers, trailblazing SMEs, global organizations, and all those who embody the spirit of innovation across diverse domains. From groundbreaking designs to transformative campaigns, cutting-edge services & solutions, exceptional organizational excellence, and revolutionary technology, TITAN honors them all.

About International Awards Associate (IAA)

Established in 2015, the International Awards Associate (IAA) is a global organization dedicated to recognizing professional excellence and outstanding achievements in various industries. As the organizer of a wide range of prestigious award programs such as the MUSE Creative Awards, MUSE Design Awards, Vega Digital Awards, NYX Awards, NYX Game Awards, TITAN Business Awards, TITAN Property Awards, London Design Awards, NY Product Design Awards, and many more, IAA aims to honor, promote, and encourage professional excellence, from industry to industry, internationally and domestically, through award platforms that are industry-appropriate.
