"AI is not just a tool; it's a game-changer in how we approach webinars," Alicia stated. "From content creation to boosting conversions, AI is reshaping the webinar landscape."

Alicia's presentation was a deep dive into essential AI tools for webinar hosts. She introduced tools like ChatGPT and Perplexity for content crafting, Elevenlabs.io for voice cloning, Pictory.ai for engaging visual content, ContentAtScale.ai for AI detection, and Descript for seamless webinar editing.

Her talk extended beyond tools, covering effective marketing strategies, leveraging social media, and boosting registration and conversion rates. She also addressed staff training and customer engagement, which are essential for holistic webinar success.

Monetized Marketing LLC, under Alicia's leadership, has received numerous awards, highlighting the impact and innovation she brings to the digital marketing arena. Awards include the MarCom Awards, the Ava Digital Awards, the Communicator Awards, The dotComm Awards, The Nation Builders Awards, Clickfunnels Two Comma Club Awards twice, and the esteemed The Traffic Sales and Profit Circle of Seven Award.

"The response to my presentation at WebinarCon 2023 reflects the excitement and potential AI

holds for our industry," said Alicia. "I'm thrilled to be at the forefront, guiding others to harness these powerful tools."
