Strategic Synergy for Enhanced Healthcare Solutions

With this acquisition, iMedical Healthcare Solutions is poised to offer an even broader spectrum of medical equipment solutions, enhancing its ability to meet the diverse needs of healthcare providers. The combination of iMedical's innovative approach to [medical equipment sales](#), service, and rental, with Bed Techs' exhaustive inventory and refurbishing capabilities, will enable a seamless and cost-effective solution for healthcare institutions.

Commitment to Quality and Innovation

Both iMedical and Bed Techs share a commitment to delivering high-quality products and services. By leveraging Bed Techs' expertise and extensive product line, iMedical is positioned to innovate further in the medical equipment industry, delivering solutions that ensure healthcare providers have reliable, state-of-the-art equipment.

Leadership Commentary

John Taylor, CEO of iMedical Equipment & Service, commented on the acquisition: "We are thrilled to welcome Bed Techs into the iMedical family. This union fortifies our commitment to providing outstanding, comprehensive solutions to healthcare institutions everywhere. We are committed to propelling Bed Techs into the forefront of the next technological revolution, focusing on pioneering applications, cutting-edge software, and unparalleled servicing across the nation and beyond the borders of the United States."

Michael Wilson, President of Bed Techs, Inc., added: "Joining forces with iMedical allows us to extend our reach and enhance our ability to serve healthcare providers. We look forward to contributing to an organization that shares our commitment to quality, innovation, and exceptional service."
