The CABA™ program is meticulously tailored to furnish professionals with the knowledge and skill set required to navigate and lead in this Agile-driven corporate environment."

Bok Yan Lo

(www.charteredcertifications.com), a global executive education provider in certified professional development programs, is delighted to announce the launch of its Certified Agile Business Analyst (CABA™) program. In collaboration with respected thought leaders and agile experts from across the corporate landscape, this pioneering program is meticulously crafted to empower business analysts and project management professionals with cutting-edge methodologies and best practices in Agile frameworks.

The CABA™ program encompasses an extensive curriculum that delves into Agile principles and the pivotal role of Agile Business Analysts. The agenda includes topics such as the Agile Manifesto, Scrum, Kanban, user stories, backlog refinement, and effective stakeholder collaboration. Participants will immerse themselves in the Agile mindset through practical workshops, role-playing sessions, and real-life case study analyses.

"In today's rapidly shifting market, agility in business analysis is not just preferred, it is critical." said Bok Yan Lo, Managing Director of the Chartered Institute of Professional Certifications. "The CABA™ program is meticulously tailored to furnish professionals with the knowledge and skill set required to navigate and lead in this Agile-driven corporate environment."

Fully accredited by the Chartered Institute of Professional Certifications, the CABA™ program is designed to offer flexibility, with various delivery options available, including [on-demand](#) and [live](#) in-person classes.

Upon successfully finishing the CABA™ program, participants will earn the Certified Agile Business Analyst (CABA™) designation. This esteemed credential, a testament to their proficiency in Agile practices, is recognized globally and demanded by corporations and organizations throughout the industry. It is awarded exclusively to professionals who have successfully passed the accredited examination. Moreover, the program aligns with the highest standards set forth by the Continuing Professional Development (CPD) principles, ensuring that our graduates stay at the forefront of business analysis excellence.
