milestone in my professional career. I am thankful for my mentors and colleagues who have guided and inspired me on this journey and proud to have earned this distinction. It will serve as motivation, inspiring me to persist in my pursuit of excellence both for clients and within the legal field." remarks Daniel Greene, Swope, Rodante P.A.'s newest partner.

The goal of Martindale-Hubbell ratings is to help keep the public informed when making the decision to do business with an attorney or law firm. Prior to the 1887 edition of

Martindale's American Law Directory, which was the first publication to provide such ratings to attorneys, there was no way of truly knowing if the lawyer you were considering doing business with was trustworthy, ethical, or skilled in the legal field. Today Martindale-Hubbell continues to provide verified ratings for attorneys based not only on their legal ability and ethical standards as judged by their peers, but also based on reviews from their clients.
