PORTLAND, OR, UNITED STATES, November 11, 2023 /EINPresswire.com/ -- In a spirit of community and kindness, local residential painting company, [Build & Paint Portland](#), is thrilled to announce its participation in the "Paint it Forward" initiative for the second year in a row. This time, they are bringing smiles to the home of longtime Northeast Portland resident Norma Roland.

On November 13-15, 2023, the crew from Build & Paint Portland will be transforming Norma's 2-bedroom house with two fresh coats of paint on walls and ceilings, all at absolutely no cost to her.

This uplifting project is made possible through collaboration with local non-profit [Taking Ownership](#) PDX and the generous support of [Miller Paint](#), a longstanding local paint manufacturer. Taking Ownership PDX played a pivotal role in connecting with Norma, while Miller Paint is the paint sponsor for the project.

Build & Paint Portland's owner Steve Rice shared his excitement about participating in Paint it Forward, saying, "As the holiday season approaches, we find joy in reaching out to residents who may not have the means for our services but truly deserve a touch of 'painting happiness.'"

Paint it Forward, a nationwide initiative originating in Los Angeles in 2005, aims to give back to communities by providing over \$1 million in free painting services to deserving families across the country this fall.
