

Bellmawr Borough, NJ Expands GovPilot Partnership With New Government Management Software In 2023

The NJ Borough expands their partnership with the government management software provider to streamline operations and constituent services in the municipality.

BELLMAWR, NJ, UNITED STATES,
November 10, 2023 /
EINPresswire.com/ -- Customer Since
2023 with 4 Total Modules Deployed

The Borough of Bellmawr, NJ has implemented additional government management software solutions into their municipal offices throughout 2023 in order to automate processes, digitally manage data, and engage citizens via the cloud with [GovPilot](#) - the Operating System for Local Governments. In collaboration with GovPilot, a government management software provider based in New Jersey, this municipality of Camden County, expanded a partnership that will allow the local government to access new, modern, software solutions across the municipality.

This partnership aims to provide both citizens and government officials simplified access to data and information that will save valuable time and resources across the board. GovPilot's customer success rates and stellar reviews set this government management software provider apart from all others, streamlining the implementation of new software solutions efficiently and successfully for Bellmawr Borough.

Among the software solutions previously deployed by Bellmawr are the most recent 2023 additions which include:

[Report-A-Concern Module](#)
Mercantile License Module
Rental CO Module

The NJ Borough expands their partnership with the government management software provider to streamline operations and constituent services in the municipality.

Zoning Permit Module

All additional software solutions deployed by Bellmawr in 2023 will continue to simplify and digitize once manual, paper-based government processes, allowing for government workers to dedicate their valuable time to more pressing municipal tasks, and saving constituents the hassle of traveling to city hall in person.
