This new platform is specifically designed to meet the demand for transit and day-use travel throughout Asia, especially for travelers waiting for long layovers, and to provide a comfortable rest.

It will also offer new refreshing experiences after the early morning arrivals and during overnight layovers to improve the quality of travel.

Highlights of the service include

Affordable Pricing:

Some hotels offer the plans are available for as little as USD20 to USD30. This service is characterized by excellent cost performance.

Local Payment:

We have adopted a local payment method to address the problem of non-payment in the OTA market.

This is a fundamental solution to the problem.

Airport Transfer Service:

The graphic is a promotional banner for DayDreamHub.com. It features a blue background with a white Facebook icon and the text "Win by sharing the official campaign post!". In the center, a hand holds a smartphone displaying the DayDreamHub app interface, which includes sections for "Workspace", "Transit Hotel", and "FREE STAY". To the right, a black circular badge with white and yellow text reads "THE FIRST 100 TO ARRIVE". Below the text, there is a photograph of a modern hotel room with a large bed, a desk, and a window overlooking a green landscape. The DayDreamHub logo is visible in the bottom right corner of the photo. At the bottom of the graphic, the text "day-use, daytime hotel, hotel booking" is written.

Some partner hotels offer airport transfer service. This allows travelers to enjoy more comfortable and stress-free transportation.

As of November 2023, 26 hotels in 9 cities, mainly in Asia, including Bangkok, are listed.

This innovative service is sure to provide a breath of fresh air to the travel industry and further enrich the choices for travelers.
