Hunter was nominated by his peers of producers and engineers for his remix of the song. His production of Jennifer Hudson’s “It’s Your World” was nominated in 2014; however, it is Hunter’s 2nd nomination as a Remixer. In 2022, he was nominated for "Break My Soul (Terry Hunter Remix)" by Beyoncé. The journey to the nomination began this summer during the 31st Anniversary of the Chosen Few Picnic. Terry debuted his ‘Mariah remix’ before an audience of 30,000 in the rain to instant acclaim. Riding the wave of last year’s nomination with Beyoncé, Hunter's remix of the thirty-year-old song brought an authentic house music production to the record, which was previously recorded by C & C Music Factory in the 90s but was never released.
