EINPresswire.com/ -- The Miracles & Magic Foundation, a registered 501(c)3 nonprofit organization committed to creating moments for children with life-threatening illnesses and those facing medical and physical challenges, is thrilled to announce the December 16th, 2023, twentieth anniversary show and first ever Holiday Magic Spectacular at the Lincoln Theater in Columbus, Ohio.

Miracles & Magic Where Hope Takes Center Stage

Since 2002, Miracles & Magic has been more than just a show; it's a transformative experience that aims to inspire, engage, and provide relief to children and their families. Curated by the top magicians, illusionists, and variety entertainers globally, the show's world-class talent delivers not just entertainment, but life experiences.

The show allows these children and their families to step away from the daily trials of hospital visits and treatments, immersing them in a world of wonder, laughter, and emotion. Beyond entertainment, Miracles & Magic also educates public attendees on the importance of inclusivity and understanding for children with special medical and physical needs. Community Support: The Miracles & Magic Foundation invites families facing medical challenges to attend the event free of charge, thanks to public support and sponsorships.

This year, Miracles & Magic is partnering with The Magical Moments Foundation to renew a sense of hope, joy, and empowerment in children with facial differences. Together, the organizations will work to offset the stigma, bullying, and isolation that these children often face, providing comfort and inspiration through magical experiences.

The show will feature the amazing performers and illusionists : [Scott Tokar](#) from Orange County, CA, Christopher Hart from Hollywood, CA, [David Kaplan](#) of Columbus, OH, and returning host [Jon Petz](#), a two-time best-selling author, business motivational speaker, and professional magician.

The Miracles & Magic Foundation invites the public to sponsor a family or to join us for the show by purchasing tickets for the performance taking place this holiday season. Note, many of the families served have their priority set on paying medical bills, making extras like live performances out of reach. Sponsorship opportunities provide these families a chance to be a part of this magical experience free of any expense.

Tickets for the December 16th event proceeds will benefit our 2023 Charity: Magical Moments Foundation.
