

# Asset Preservation Strategies Inc. Fuels Sustainability with Donation to Trees for the Future

SAN DIEGO, CA, USA, November 14, 2023 /EINPresswire.com/ -- Asset Preservation Strategies Inc. has taken action to support the global mission of [Trees for the Future](#) to improve livelihoods of impoverished farmers by revitalizing degraded lands, funding the planting of 17,060 trees. Committed to acting locally and creating impact globally, the partners of Asset

Preservation Strategies Inc. united in their efforts to fund a donation that will develop deep roots for those in need. Trees for the Future has dedicated their efforts to breaking the cycle of hunger, poverty, and environmental destruction through restoring landscapes in developing communities. As a collaborative wealth management firm, Asset Preservation Strategies aims to elevate the wellbeing of those they serve, in part, by developing purpose driven financial strategies that often include charitable giving. Through the intentional giving that the partners at Asset Preservation Strategies have implemented, they have been able to be a part of sustainable change, creating opportunity for future generations.

"We value building a legacy that will impact lives near and far through investing in our planet - driving the development of food systems and growing economies." -John Jenkins, Chairman and Senior Financial Adviser, [Asset Preservation Strategies, Inc.](#)
