TAL Kindness Day 2023 is more than just a one-day event where participants exchange business cards and attend a series of keynotes and panel discussions. It brings together diverse changemakers, champions of kindness, corporate CSR leaders, nonprofits, and youth, enabling them to learn and explore possibilities of high-impact, long-lasting collaborations that catalyze lasting social change and amplify kindness.

“Touch-A- Life Kindness Day is a very unique event and making a huge difference in the Community. At Community Seva we are glad to participate, share our mission and experiences about Hunger & Homelessness during the panel discussion” said Nathan Ganeshan, Founder & President, Community Seva Inc

By participating as exhibitors at TAL Kindness Day 2023, organizations will have the opportunity to showcase their exceptional CSR work to the world, gain key insights from key industry players to strengthen their CSR strategy and unlock opportunities to expand their CSR work. They can promote their products for sale and gain unparalleled visibility for their brand. Exhibitors get listed on the Touch-A-Life website.

In addition, few exhibitors are speaking, giving their invaluable insights focused on innovation and best practices for other nonprofits to learn.

The Whole is Greater than the Sum of its Parts" - Aristotle. “The powerful combination of STEAM is more than just learning the various academic concepts. Young STEAMers mission is to ignite the imaginations of underserved children by providing hands-on STEAM enrichment activities that inspire, educate, and empower. Through interactive and engaging experiences, we aim to bridge the educational gap and foster a lifelong love for learning among these young minds. We are proud to be part of TAL Kindness Day 2023 as it aligns perfectly with our mission and vision” said Dr. Orna Kretchmer, President & CEO, Young STEAMers

We are proud to be associated with our exhibitors who are not just helping make TAL Kindness Day 2023 a resounding success, but also leading the change and inspiring positive social action.
