EINPresswire.com/ -- All aboard the [Carolina Belle!](#) [Charleston Harbor Tours](#) and Events announces the 20th anniversary of their beautiful sightseeing and charter vessel operating in Charleston Harbor. The 72 foot, 2 deck motor vessel features graceful lines, a climate controlled main salon, and a wonderful, open air observation deck. For twenty years, Charleston Harbor Tours has run The Carolina Belle for a relaxing and scenic,

90-minute tour of Charleston Harbor, one of the most historic and busiest ports on the eastern seaboard. In a recent interview with the owner, Robert Scribner, he says, "The Belle initially was the backbone for our whole operation. This vessel was an outlet for us to know we are succeeding and yet ready to expand. My goal for this company was to create impactful tours that educate and entertain the public and provide the highest level of customer service." Mr. Scribner purchased the Carolina Belle shortly after buying the existing company, Charleston Harbor Tours in 2003. He quickly saw a need to enhance the customer experience and replaced the former vessel, The Nautical Queen. The Carolina Belle offered a larger capacity, more outdoor space, better restrooms, and better accessibility for all. Mr. Scribner wanted to build a sustainable, long-term viable business, and to inspire young business professionals. With extreme efforts from Mr. Scribner and the whole company, they can happily announce twenty beautiful years on the harbor, and many more to come!
