“This Eventex index shines a light on the most deserving individuals whose creativity, innovation, and achievements

keep inspiring and raising the bar, both in their field and for the rest of the industry. These remarkable professionals deserve recognition and we are honored to facilitate this process. Congratulations to everyone included in the list!” comments Ovanes Ovanessian, Co-founder of

Eventex Awards.

The list is decided entirely by public vote, where the events community first gets to nominate and then vote for those they believe have had the most notable impact on the industry. This year, a total of 830 professionals from 56 countries were honored with an Eventex index nomination, while 21,787 votes were cast to determine the results. Those with the most votes in their respective industry area made the top 50 list, with their names published in alphabetical order.
