

# Slough Electrician Ltd Announces New CCTV Installation Services for Enhanced Security and Peace of Mind

*Slough Electrician Ltd expands services with state-of-the-art CCTV installations, offering top security solutions for homes and businesses.*

SLOUGH, BERKSHIRE, UNITED KINGDOM, November 14, 2023

/EINPresswire.com/ -- [Slough](#)

[Electrician Ltd](#), a reputable electrical company known for delivering top-tier electrical solutions, is excited to announce the launch of its new CCTV installation services. This addition aims to provide homes and businesses in Slough and its neighbouring regions with enhanced security options.

Slough Electrician Ltd Announces New CCTV Installation Services

With over a decade of experience in the electrical industry, [Slough Electrician](#) Ltd brings its expertise to the realm of security, offering state-of-the-art CCTV systems tailored to meet

individual needs. These services are designed to offer not only high-quality surveillance but also peace of mind for clients.

“

With these advanced security systems, we aim to offer our clients the best in technology and service.”

*Zeeshan Yousaf (CEO, Slough Electrician Ltd)*

"Our mission has always been to provide reliable, cost-effective, and timely electrical solutions. The introduction of CCTV installation services is a natural extension of our commitment to ensuring the safety and security of our customers," said Zeeshan Yousaf, CEO of Slough Electrician

Ltd.

The new CCTV systems feature the latest in security technology, including high-definition video, motion detection, remote monitoring capabilities, and easy integration with existing home or business networks. These comprehensive solutions are suitable for a wide range of applications,

from residential properties to commercial establishments, offering enhanced protection against theft, vandalism, and other security threats.

Customers interested in the new CCTV installation services can expect competitive pricing, detailed consultations to assess their specific needs, and the assurance of working with a [NAPIT](#)-registered and insured company adhering to the highest standards of an electrician.

Slough Electrician Ltd, established in 2020 by Zeeshan Yousaf, a practising electrician since 2014, is dedicated to providing top-notch electrical solutions while continually investing in the training and development of its team. The company prides itself on its open communication, ensuring that clients are informed throughout every step of their project.
