TurboTax 2024 is just around the corner, and [users can start preparing their taxes as early as January 3, 2024.](#)

One of the most significant advantages of TurboTax is the ease with which it can be used. The software is designed to guide users through the entire tax preparation process, ensuring they don't miss any critical deductions or credits. With the latest updates and improvements to the software, it's easy to get started.

One of the notable features of TurboTax 2024 is the new mobile app that makes it simpler to file taxes on the go. The app is available for both Android and iOS, and users can use it to upload their W-2s, 1099s, and other tax-related documents. The app also allows users to track their refund status and receive notifications on their phones.

TurboTax 2024 also includes a new AI-powered feature that makes it easier to input data

The advertisement features the Intuit TurboTax LIVE logo at the top. Below it is a smartphone displaying a smiling woman, Claudell, who is a Tax Expert with 22 years of experience. To the right of the phone, the text reads "Real tax experts review your return." and there is a blue button that says "Start for Free".
