

Talaria Transportation CEO Ari Raptis Expands Cannabis Services With Melly Home Delivery and National Secure Transport

The secure logistics leader aims to strategically expand operations to service all states with regulated cannabis.

PHILADELPHIA, PENNSYLVANIA, UNITED STATES, November 16, 2023 /EINPresswire.com/ -- Ari Raptis, CEO and founder of Talaria Transportation, LLC, a privately held company specializing in secure, compliant logistics for the legal cannabis industry, today announced that with the addition of affiliate companies Melly Home Delivery and National Secure Transport, the company now services a total of 29 states.

Established in 2017, Talaria Transportation, LLC is a privately held company specializing in secure logistics for the legal cannabis industry.

The combined total operations include services provided by Talaria, which specializes in the transportation of raw material or finished product and lab samples; Melly Home Delivery, which provides a logistics platform to connect licensed dispensaries with consumers and patients to fulfill home deliveries; and National Secure Transport, which provides cash-in-transit services and turnkey ATM solutions with real-time reporting and armored vehicles. All transportation services are carried out by a team of retired police officers and military veterans.

“

We are passionate about providing secure transportation across the invisible infrastructure of the industry, from fresh product to cash headed to the bank.”
