Comprehensive Electrical Services at Your Fingertips

Your quality of life electrified

Simpson Electrical is a premier electrical services provider in McMinnville and Yamhill County, Oregon”

*Kevin Simpson*

The website highlights Simpson Electrical's broad spectrum of services, ensuring clients in McMinnville and the surrounding areas have access to top-tier electrical solutions. Residential services include installations, maintenance, and repairs, while commercial offerings cover complex electrical systems, energy-efficient lighting retrofits, and more. The site also emphasizes the company's commitment to energy efficiency and modern

electrical solutions like ductless heat pumps and smart panel installations.

### An Emphasis on Safety and Reliability

Safety is a top priority for Simpson Electrical, as evident from their detailed service descriptions on the new website. The company's licensed and bonded electricians are experts in ensuring that each project adheres to the latest safety standards and electrical codes. From routine inspections to emergency repairs, the website communicates Simpson Electrical's promise of reliable and safe electrical solutions.

### Connecting with the Community

Simpson Electrical's deep roots in the community are a key feature of the new website. Founded in 1999 and serving various locations in the Willamette Valley, the company's dedication to the community is reflected in its personalized approach to each project and its participation in local activities. The website showcases this connection, inviting customers to become part of the Simpson Electrical family.

### Customer Reviews and Testimonials

A dedicated section for customer reviews and testimonials on the website offers new visitors insight into the quality of service and customer satisfaction that Simpson Electrical delivers. These reviews highlight the company's friendly, professional, and prompt service, reinforcing its reputation as a trusted electrical service provider in the region.

### Ease of Contact and Booking

The new website has been designed with customer convenience in mind. A simple, straightforward booking form and clear contact information, including a phone number and email address, make it easy for customers to schedule services and get in touch with Simpson Electrical's expert team.
