The award for Best Global Distributor was presented at Diodes Incorporated's 2023 Global Distribution Conference in Pattaya, Thailand in October. This is considered the top award given by the company.

The award was presented by Diodes Incorporated Chairman, President, and CEO Dr. Keh-Shew Lu and Senior Vice President Worldwide Sales and Marketing Emily Yang. "We are excited about our future and about working with these professionals," said Diodes Incorporated on social media after the event.

Future Electronics Corporate Vice President YH Chin, Vice President Sunny Arora, and Corporate Vice President Matthew Rotholz accepted the award at the conference. "Together, with our strong partnership, we are ready to accelerate growth in 2024!" said the [Future Electronics team](#).

[Future Electronics is extremely proud](#) of this great achievement and thanks Diodes Incorporated for putting together a wonderful event.

About Diodes Incorporated

Diodes Incorporated is a leading global manufacturer and supplier of high-quality application-specific standard products within the broad discrete, logic, analog, and mixed-signal semiconductor markets. Diodes serves the automotive, industrial, computing, consumer electronics, and communications markets.

Diodes' corporate headquarters and Americas' sales offices are located in Plano, Texas, and Milpitas, California. Design, marketing, and engineering centers are located across the globe. Their market focus is on high-growth, end-user applications.

About Future Electronics
