### About the Author

T.E. Goddard is a three-time published author, screenplay writer, director, actress, gaffer, podcast host, and an accomplished ultramarathon runner just to name a few. She faced numerous challenges while growing up, including moving around a lot, an abusive and controlling parent, and financial hardships. She was also repeatedly told that she was not good enough and would never achieve anything in life, but she has proven many people wrong. Her life took a significant turn when she got out of a negative environment and surrounded herself with positive and supportive people.

As for the motivation of her book, she said going through trauma, alone and struggling to find rest during the night, it was during this time that she met this very special person who has since become a family. This person played a vital role in helping her cope with difficulties. Recalling her advice "If you are not going to sleep, (well you should be sleeping) but if you're not, do something productive. Don't waste your time." The bond between Sam and Sarah is the bond that is quite similar to the bond that she has with the very special person in her life.

Before, she participated in a Radio Interview in 2019 and also attended the Miami Book Fair in 2019.

T.E. Goddard recently participated in a Prime Seven Media Spotlight interview with Logan Crawford and answered questions about her book "Roller Coaster"; (Logan Crawford TV Interview Link: <https://www.youtube.com/watch?v=HlOskkxIsRw> )
