

# Trenton, NJ Expands GovPilot Partnership With New Government Management Software In 2023

*The NJ City expands their partnership with the government management software provider to streamline operations and government services in the municipality.*

TRENTON, NJ, UNITED STATES,  
November 16, 2023 /  
EINPresswire.com/ -- Customer Since  
2016 with 22 Total Modules Deployed

The City of Trenton NJ has implemented additional government management software solutions into their municipal offices throughout 2023 in order to automate processes, digitally manage data, and engage citizens via the cloud with [GovPilot](#) - the Operating System for Local Governments. In collaboration with GovPilot, a government management software provider based in New Jersey, this municipality of Mercer County, expanded a partnership that will allow the local government to access new, modern, software solutions across the municipality.

This partnership aims to provide both citizens and government officials simplified access to data and information that will save valuable time and resources across the board. GovPilot's customer success rates and stellar reviews set this government management software provider apart from all others, streamlining the implementation of new software solutions efficiently and successfully for Trenton.

Among the software solutions previously deployed by Trenton is the most recent 2023 addition which includes:

## [Asset Management Module](#)

All additional software solutions deployed by Trenton in 2023 will continue to simplify and digitize once manual, paper-based government processes, allowing for government workers to
