Luis Ibarra Recognized as One of the Top 10 CTOs to Watch in 2024 by International Business Times

“

We are incredibly proud of Luis Ibarra's recognition as one of the Top 10 CTOs to Watch in 2024 by the International Business Times.”

Aaron Moak, CEO

Luis Ibarra has been instrumental in driving the growth and success of PingWind Inc., which operates across 30 states and internationally in Honduras and Cuba. With over two decades of experience in the industry, Ibarra's innovative strategies and forward-thinking approach have set him apart as a trusted expert in the field.

As CTO of PingWind Inc., Luis Ibarra has played a pivotal role in the company's focus on next-generation supply chain processes, contributing to its continued success. His extensive experience working closely with renowned

Fortune 100/500 companies has solidified his reputation as a leader and innovator in the technology sector.

Ibarra's expertise in cybersecurity and software development has been instrumental in advancing national security and transforming the healthcare sector. His proactive approach and

profound insights have established him as a respected leader in the industry.

Luis Ibarra's dedication to innovation and excellence drives PingWind Inc.'s success, ensuring the company maintains its upward trajectory and remains at the forefront of the technology and cybersecurity landscape.

"We are incredibly proud of Luis Ibarra's recognition as one of the Top 10 CTOs to Watch in 2024 by the International Business Times," said Aaron Moak, CEO at PingWind Inc. "His visionary leadership and commitment to excellence have been instrumental in our company's growth and success. This recognition is a testament to his outstanding contributions to the technology industry."
