The Black Friday Promotion is not the only launch OFP has made recently in order to empower traders in their profits. In October, the prop firm released a completely new Dashboard, with fixed bugs, real time profits, live updates and lower latency times, together with a new interface to make trading more intuitive and simple for its customers. In its partnership with OverviewFX, OFP also offers a range of exclusive Dashboard tools: live market updates, trading tools, economic calendar and much more.

The company also has an exclusive Affiliate Program with two revenue models to choose from; and a Mental Coach

Program that aims to improve traders' management of emotions, available in English and Italian.

The Black Friday promotion is a testament to OFP Funding's dedication to providing value to its community of traders, not only as a platform, but as an ally in their trading journey. To take advantage of this exclusive offer, visit OFP Funding's website between November 20th and November 24th, and unlock a new level of trading possibilities.
