The National WWII Museum tells the story of the American experience in the war that changed the world—why it was fought, how it was won, and what it means today—so that future generations will know the price of freedom and be inspired by what they learn. Dedicated in 2000 as The National D-Day Museum and now designated by Congress as America's National WWII Museum, it celebrates the American spirit, the teamwork, optimism, courage and sacrifices of the men and women who fought on the battlefield and served on the Home Front. The 2018 TripAdvisor Travelers' Choice Awards ranks the Museum No. 3 in the nation and No. 8 in the world.
